Recognition has also been given to Marina Inn's premier restaurant, WaterScapes, a casually elegant restaurant located on the lower level of the hotel that is open daily for breakfast, lunch and dinner. WaterScapes specializes in sustainable dining by serving only fresh and local seafood from providers in the Carolinas. The menu also includes bread that is baked daily and an array of delicious homemade desserts.

Last year, WaterScapes received the Santé Culinary Hospitality Award from Santé, the Magazine for Restaurant Professionals in the sustainability category for the Southeast division of the United States. It was also named a Platinum Partner in South Carolina's Sustainable Seafood Initiative, and was the first restaurant in the city of Myrtle Beach to do so.
