This short dedicated bike lane trail takes you along the mostly undeveloped, but expertly manicured Grande Dunes Blvd. toward Ocean Blvd. and then down Ocean Blvd. to 60th Ave N. Once on Ocean Blvd., you will see residential and popular resorts in the area. You may travel beyond 60th Ave. N., however you will share the road past this point. This trail is jog/walk friendly but note there are (2) major highway crossings. It is walkable in one hour; one way.
